

## Calini changes to procedures during COVID-19

- **Prior to your arrival units are being heavily cleaned and disinfected. Check in begins at 4:00pm and we ask that only one reservation group at a time enters the office. Masks are encouraged but not required.**
- **If you are staying multiple weeks in the same unit, housekeepers will come in and clean your unit on Friday. If possible, we ask that you be out of the unit during that time, staff will call you in advance to schedule your stay over clean.**
- **The office, recreation room, hot tub and pool are open and operating as normal. The Monday morning owner's meeting is at 10:00am in the recreation room with coffee and donuts.**
- **We are encouraging social distancing as it is our utmost importance to keep our owners and guests safe and we appreciate your respect and understanding.**
